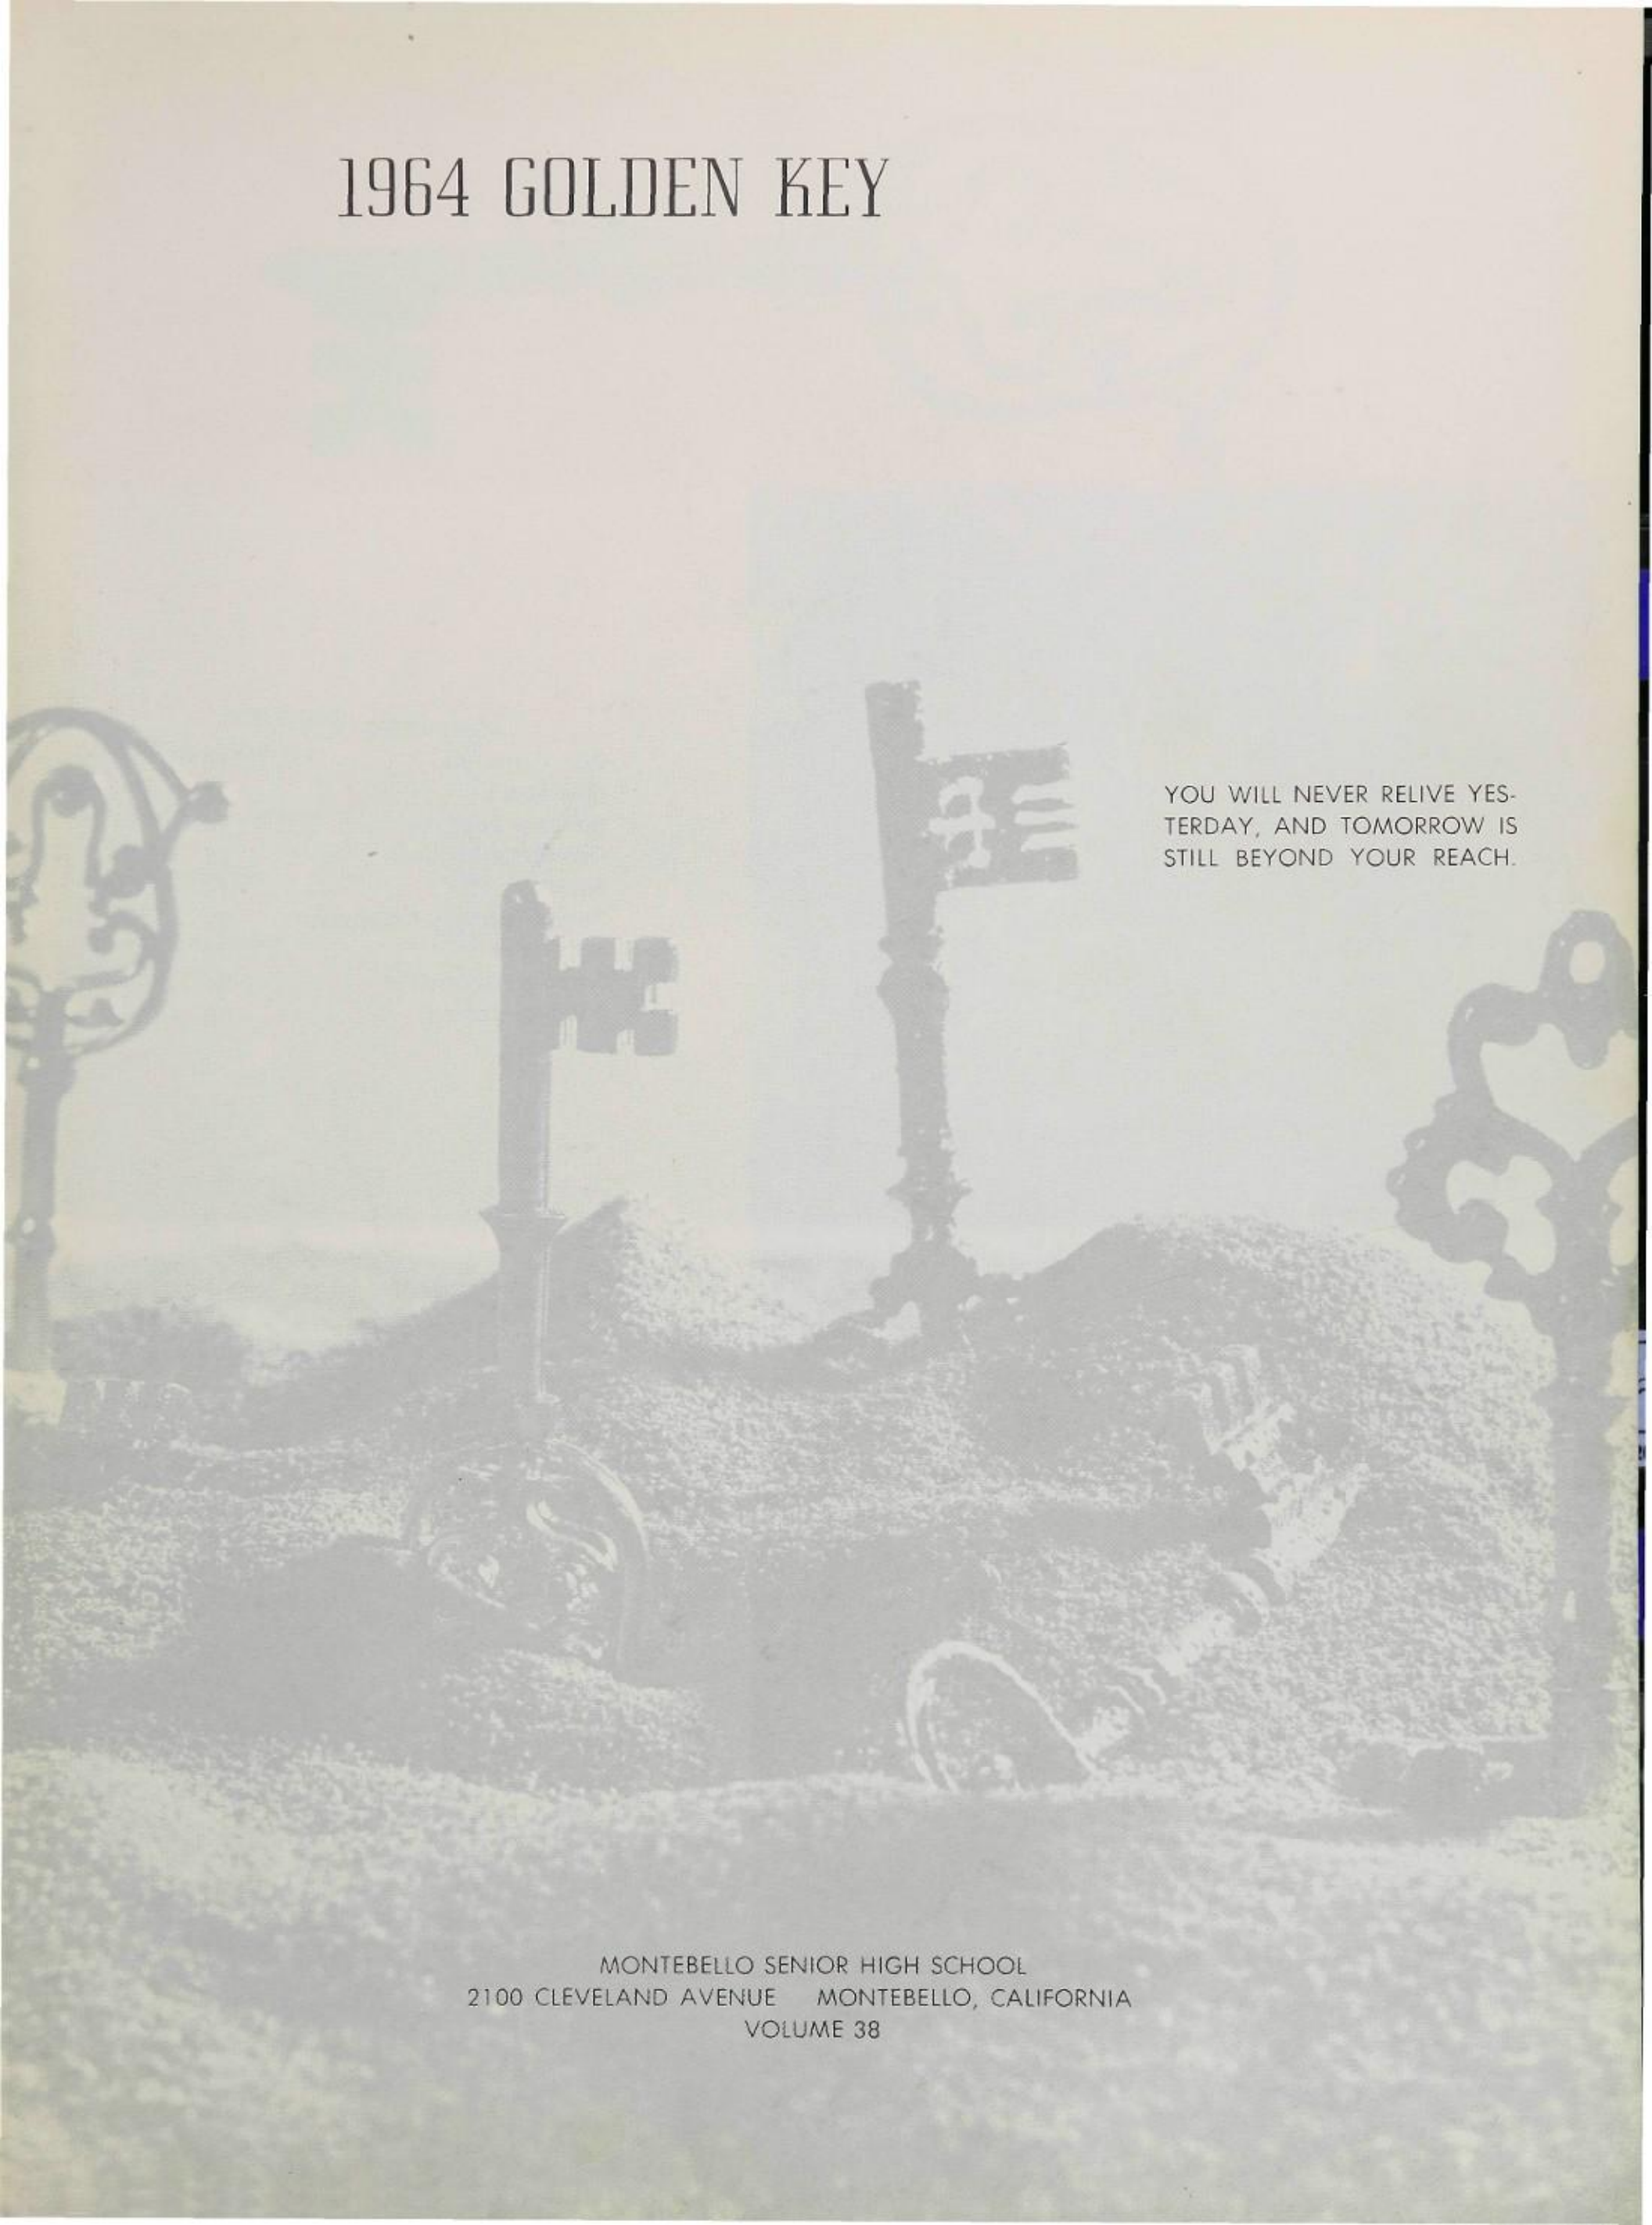
FOREWORD

THERE IS SOMETHING CONTAGIOUS ABOUT THE HIGH SCHOOL SPIRIT. IT NEVER QUITE LEAVES YOU; IT CAN BE CONTRACTED UNDER THE SPELL OF A GOOD ROUSING FOOTBALL YELL OR A FEW BARS OF THE "OLE" FIGHT SONG. HIGH SCHOOL IS AN AFFIRMATION OF VITALITY, TO SHAPE AND MOLD THE KEYS OF LIFE REQUIRED FOR SUCCESSFUL LIVING, TO RESPECT THE INHERITANCE OF THE PAST, AND TO REACH INTO THE FUTURE. KEYS OF MATURITY FROM TEENAGER TO ADULTHOOD, KEYS TO DEVELOP THE ABILITY TO THINK AND GROW, KEYS TO THE UNDERSTANDING OF LIFE, KEYS OF ETHICS AND AESTHETICS. KEYS OF FRIENDSHIP, AND SOCIAL ACTIVITY AND KEYS TO ACTIVE COMPETITION. THROUGH THESE KEYS YOU ACHIEVE GROWING AWARENESS AND ENRICHMENT, WHICH HELP TO CREATE THE KIND OF SELF YOU WILL BE HAPPY TO LIVE WITH THROUGHOUT YOUR LIFE.

1964 GOLDEN KEY



YOU WILL NEVER RELIVE YESTERDAY, AND TOMORROW IS STILL BEYOND YOUR REACH.

KEYS TO LEARNING

KEYS TO LEARNING . . . YOU HOLD IN YOUR HAND THE KEYS OF AWARENESS AND LEARNING, WAKING UP THE ETERNAL MIRACLE OF LIFE WITH ITS LIMITLESS POSSIBILITIES. THE ADMINISTRATORS AND INSTRUCTORS ARE THE SINGLE MOST IMPORTANT FORCE IN ANY SCHOOL. THEY ARE TEACHER, FRIEND, COUNSELOR TO ASSIST IN FULLY DEVELOPING YOUR CREATIVE ABILITIES, TO WORK WITH IDEAS, TO EXPRESS YOUR IMAGINATION TO DEVELOP

SKILLS. YOUR TEACHERS ARE THE KEYS WHICH EDUCATE YOUR MIND; TO CHALLENGE, EQUIP AND CONDITION IT FOR CONTINUED GROWTH. THE FACULTY . . . THE KEYS, ARE LIVING TEXTBOOKS, THEY HAVE A SINCERE INTEREST IN THE YOUNG AND THE ABILITY TO COMMUNICATE THEIR KNOWLEDGE. THE REPUTATION OF THE SCHOOL IS GREATLY BASED UPON THE PERFORMANCE OF ITS GRADUATES WHO ARE COMPLIMENTS OF THE EXPERIENCE AND KNOWLEDGE OF THEIR TEACHERS

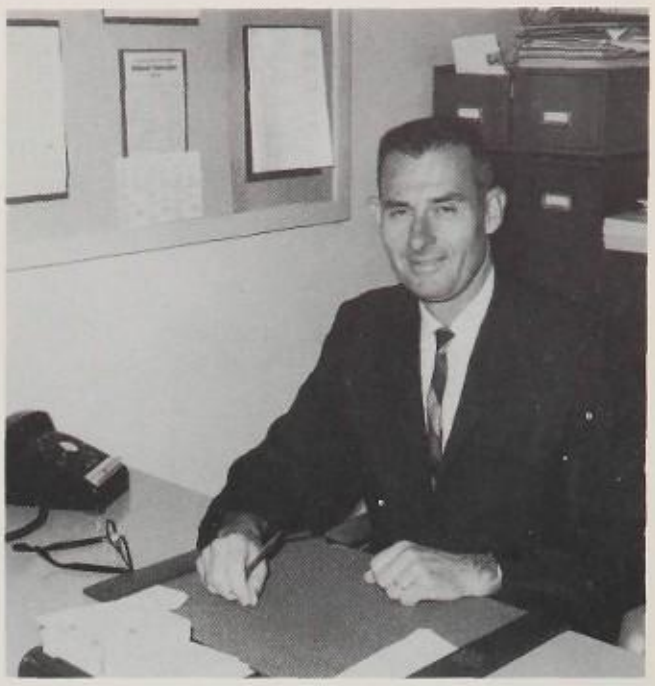
COUNSELORS IN ACTION

JAMES DILLON



ROBERT STETLER

RUTH MAGAW

The counselors responsibilities and duties are many and varied. Among these are the administering of group and individual testing programs. Individual performance tests and health records as well as other information are kept on file with the counselors for reference in helping the student. Every possible source of data is used to understand students and to develop a program best suited to the individual and his life needs. The counselors give vocational counseling to help the student plan for his future, after high school graduation. The counselors also help the student in planning his preparation for college and they assist in some of the school's extra-curricular activities. The welfare of every student is the concern of the counselors at Montebello Senior High School.

BOARD OF EDUCATION

Congratulations and good luck! For most of your life you have been attending school. Now you have some of the keys to learning. As life is a continuous program of education, your keys to learning which you have acquired during your high school career, will be invaluable to you. The Board of Education and the administration of the Montebello Unified School District sincerely believe that high school and other segments of your public school education have prepared you to either further your education or, with the necessary keys of learning, to establish you in some kind of work. It has been the responsibility of teachers through the curriculum of the school district to prepare you and to make available to you many of the keys. With these insights you now are ready to continue your formal education or to take your place in the social and economic world. Our thoughts will be with you even after you have left us.

CENTRAL OFFICE

Today it is graduation, and then there is tomorrow. Tomorrow is your life, the opening of doors to find new pathways and new experiences. Life may in a sense be the pursuit of happiness but it is also the pursuit of achievements and satisfactions which make the successful life. Your ultimate success will be determined by the kinds of doors you open and the use of the proper key at the appropriate time. Keys which mankind has found important are numerous. Those mentioned below add stability to the life of an individual as well as to society.

Believe in yourself. The person who gets things done has a crystal-clear faith in himself and in his personal judgments.

Hold to your ideals. The world needs people who have unshakeable confidence in personal ideals. Your ideals are your guideposts for living.

Be a good team member. In the sensitive task of living up to acceptable citizenship standards team work is essential. Your life does not exist in a vacuum. Your life will touch on many dimensions of responsibility: your family, your neighbors, your church, your civic associations and your vocational interest. All these require assumption of personal responsibility, but a responsibility shared in cooperation with other people. Cooperative team work is a strong factor in success.

Stand up and be counted. You have to stand for something. Be true to your personal convictions and speak for those convictions when the occasion demands. We are not a nation of sheep. We are, on the contrary, a nation of educated, thinking individuals, and it is our personal right as well as our personal responsibility to support the ideas and institutions in which we believe.

Believe in morality and a power greater than yourself. None of us will ever completely understand the tempests and the tides of life. Wisdom and goodness are not necessarily synonymous and ethics cannot be reduced to a mere mathematical formula. Have faith in a general power than self and this focus on faith will help you avoid the petty and valueless doubts which beset a lesser person.

Do the results of our efforts justify our existence? This was the question in the minds of all of the active participants in Parent-Teacher work at the High school this year. Granted, we were continuing to "promote the welfare of children and youth in home, school, church and community', as the National Congress of Parents and Teachers admonishes us; but were we aiming enough of our efforts to the young people at hand?

With the enthusiastic support of the school personnel, we continued the sale of hard-to-find paperback books, at the same time encouraging the purchase of other good books for the students' collections. All of these books were sold at a discount, with no profit at all to the P.T.A.

Two teachers' brunches were given and at one, books of their choice were given for the teachers' library. This is the organization's way of saying "thank-you" to our faculty.

For the first time, a scholarship fund has been created to benefit a Montebello Senior High student. Heretofor money has been given to go toward the California Scholarship Fund. One Honorary Life Membership was again given to go into this fund.

Yes, in a small way, we feel we have done something to justify our existence, and although our membership soared this past year, we hope to grow in numbers and accomplishments.

MARGARET HOSKINS
President

P.T.A.

Back to school night is held annually and is sponsored by the P.T.A. The parents visit each of their son's or daughter's classes, for a period of ten minutes.

Each Tuesday, during both lunches, the P.T.A. sells paperback books in the patio for the convenience of the student.

Presiding over the assembly is one of Joe's many duties.

Another year has gone by and we're all a little older and a little wiser. Some of you will be graduating this year but others of you will be returning next year to further your education. Whether you remain or go on to other aspects of your life it should always be remembered that a very important phase of your life has been spent here at Montebello this past year.

Many of you have been active in our social activities and club programs which were made available to you. Maybe you participated on one of our several championship teams, or played in the marching band or sang in the choir, or were a member of CSF. Not only paying off as a memorable experience, but these activities will help pave your way for the adult world and the wants and goals of your later life.

As I look upon my three years here at Montebello, I feel that serving you, the Student Body, has not only been a pleasure but also a rewarding experience. I will never forget this year as long as I live and it will always remain as one of the most rewarding and pleasure filled parts of my life.

Thank you once again for the fun, rewards, and honor of serving you. On behalf of the rest of the student body officers — Laura, Sali, and Rich — I would like to say that it has been a pleasure serving you in '64.

There is no doubt that the 1963-1964 school year has been the biggest and best year for many of us. Student government, being one of the most important of the school activities, has been a challenge and a most rewarding experience.

As most of you will agree, this year has passed too quickly to enjoy every minute to its fullest. Although the time has come for many of us to part, the ones who are left behind will continue to develop goals and standards which they themselves have set.

October, 1962

Dear Choon Ja's Foster Parents:

How are you. Our weather has become much cooler especially in the morning and evening. With the arrival of cool season, little Choon Ja has recovered he usually good appetite.

It was one of our national holidays, Teresa Feast Day and the 16th anniversary of this home on October 3rd. She had been very anxious for the day, for she knew that the day would mean a lot of nice food to eat and a new clothes to wear.

She got up at four o'clock that morning and started making noise around. She washed her face herself and pressed me to take out a new clothes for her to wear. She was too excited and nervous to listen to me as I asked her to please keep quiet.

She is so sweet and lovable in every way.

Yours very lovingly,

Choon Ja's nurse, K-4709

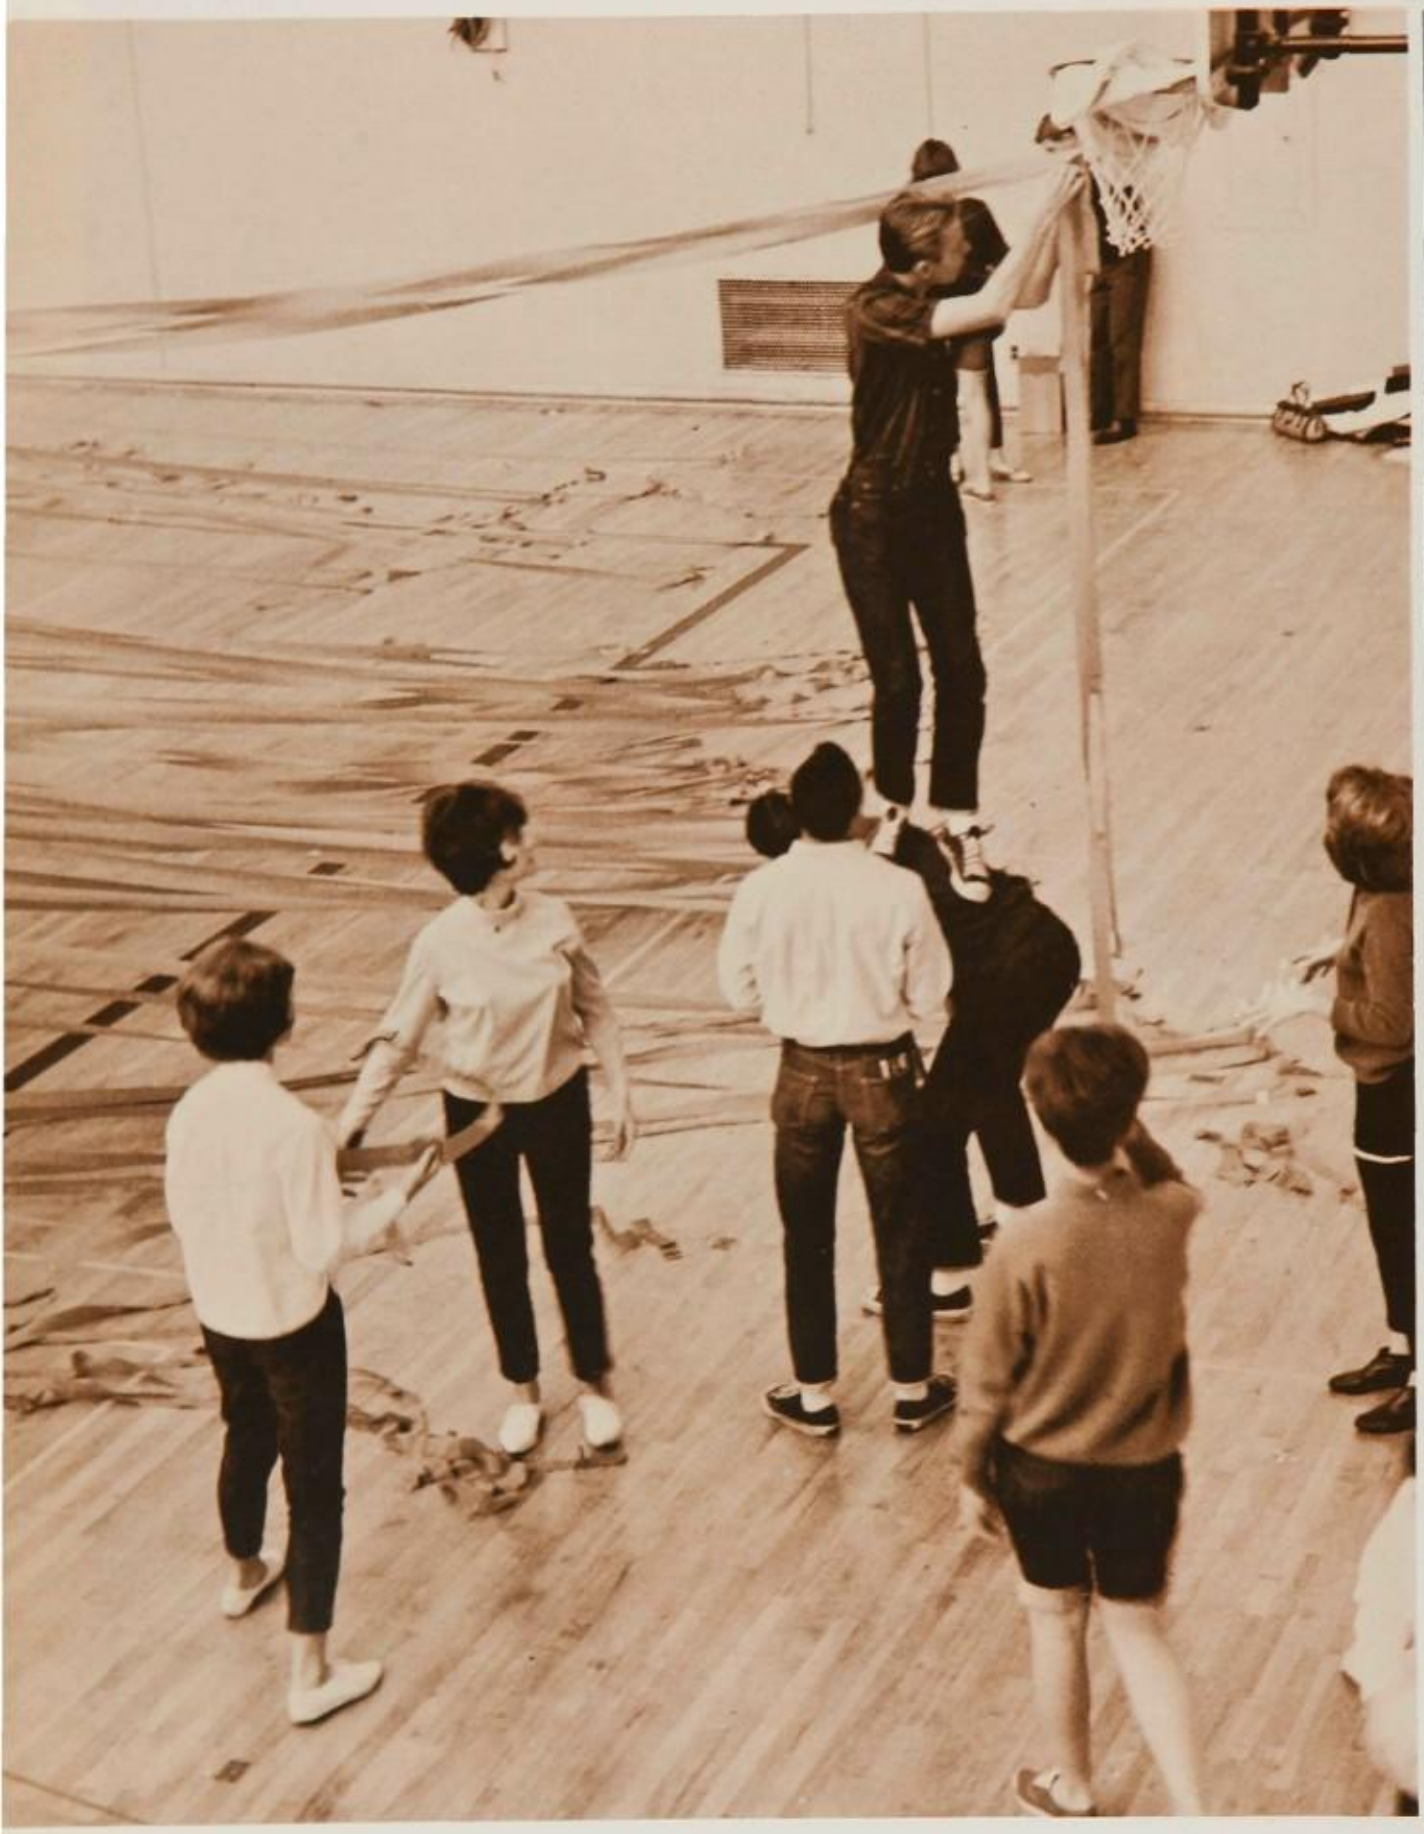
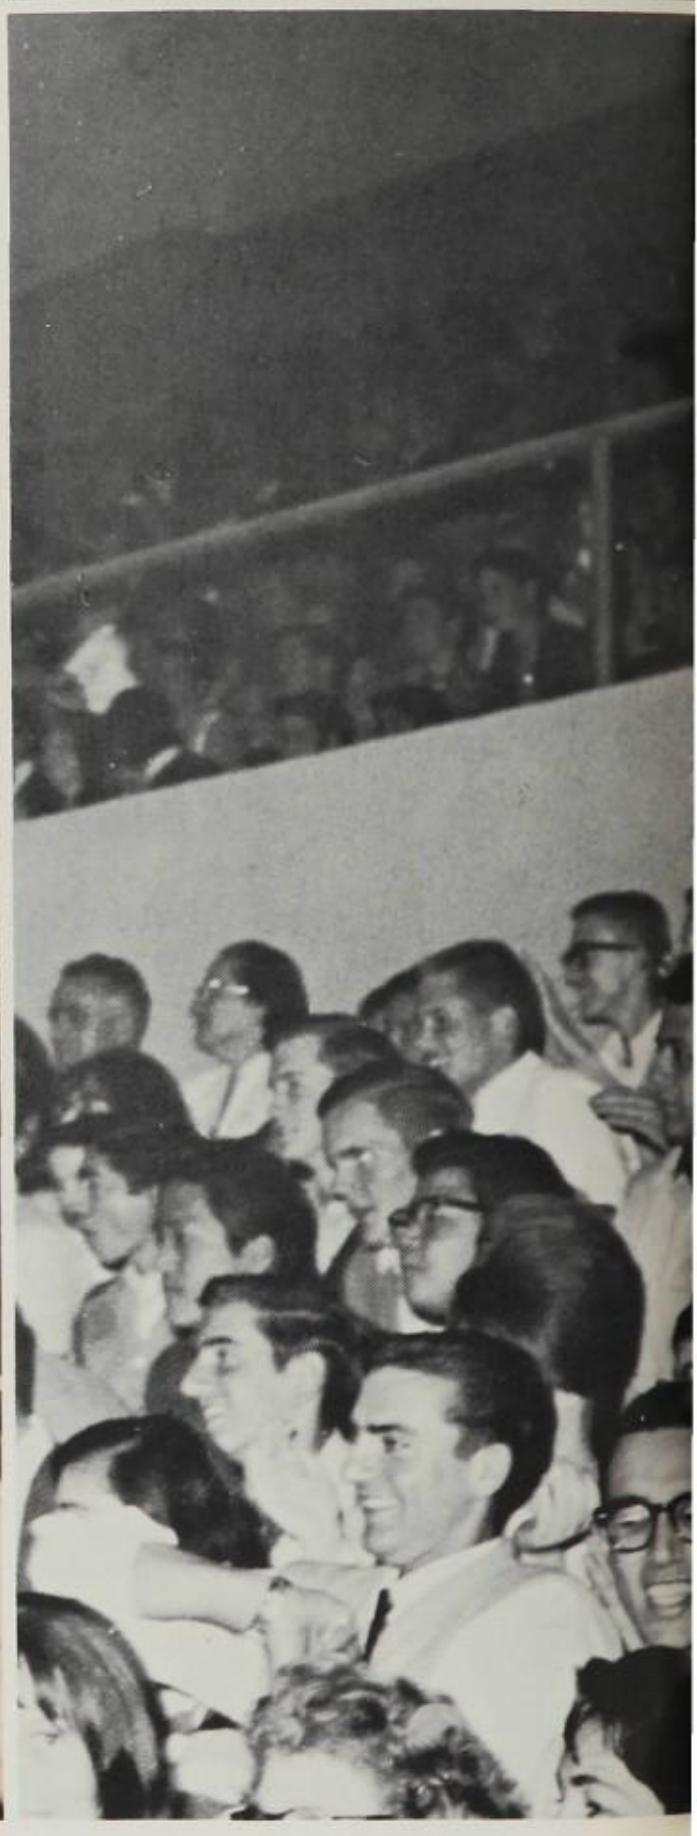
KEYS TO FRIENDSHIPS





KEYS TO FRIENDSHIP . . . YOU HOLD IN YOUR HAND THE KEYS OF FRIENDSHIP — WARMTH, INTEREST, AND LOVE. YOU REACH OUT TO YOUR FELLOW MEN, NOT WAITING FOR THEM TO COME TO YOU. YOU ARE RESPONSIVE TO THE DREAMS AND AIMS OF OTHERS, REALIZING THEIR CONTRIBUTIONS ENRICH YOUR LIFE. YOU LEARN TO OVERLOOK THE FAULTS OF OTHERS AND STRIVE TO MAKE THEM HAPPY. THESE FRIENDSHIPS ARE YOUR TIES TO THE PAST; THROUGH

THEM YOU WILL RELIVE THE MEMORIES OF HIGH SCHOOL ACTIVITIES, CLUBS, DANCES, ASSEMBLIES. MORE THAN THIS THEY WILL BE ENDURING REMINDERS THAT NO MAN KNOWS ALL THE ANSWERS AND THAT HE SHOULD ADD EACH DAY TO HIS KNOWLEDGE OF HOW TO LIVE IN A FRIENDLY WAY.

Members of the Derrick Diary interview community figures, write editorials on "hot" political issues, and report our school news. They prepare for the student body each week a newspaper that is nationally rated and acclaimed as one of the finest in the state.

Derrick Diary staff members work "overtime" preparing the weekly school paper.

GOLDEN KEY

A yearbook is a record of the year. It is the true story of people, events, success, failures and thoughts, and it is our opportunity to present school life as it really happened — the biology tests, the chemistry experiments, the pep rallies, and the research for term themes in the library, and the school spirit. Tell the true story, as those who lived it will remember it. Tell it honestly for parents and others in the community that they may better understand what makes a high school student run.

PUBLICTY WORKSHOP

Sandy Greene, Pat Salas, and Stan Metzler work on paste-ups for a publication.

There are always jobs to be done in journalism that require skill and yet are unnoticed by the public. Jobs such as these are preparing advertising campaigns, writing headlines, and arranging pages. The Publicity Workshop performs all of these jobs well and deserves a vote of thanks.

Evelyn Jones and Leonard Plotkin work together to meet a deadline.

This humorous play was given in the fall and was considered a tremendous success. Stars Ernie Wisdom, Colleen Hensel, Ruth Reuben, and Angela Makarian deserves a "hats-off."

THE DEATH AND LIFE OF LARRY BENSON

The intense drama of the Junior-Senior play brought tears to the eyes of many observers. The script was well prepared and rendered by Richard Shunkey, Maryann Kacmarcik, Pat Scarnecchia, and Laura Siedman. It was a credit to our drama department.

Irene Velasco, "The Big Bad Wolf," drags piggies off stage.

"Key-Hole Klose-ups," this year's production of the annual Hi-Jinx, was an English cloak-and-dagger mystery surrounded by clever dances and witty dialogue. "Elementary," played by Dorain Grusman and voiced by Evelyn Jones, and "Friday," played by Diana Vasquez with the voice of Barbara King, led the audience through a night of both comical and lovely dances. Acts with tremendous audience appeal included "The Blob," and "Tweedle Dum and Tweedle Dee."

The audience got to laugh all the way through "Touche Away"

In "Maids and Butlers" the darling costumes were deceiving as the dance proved to be one of the funniest of the evening. The stage crew, the sound crew, and the Hi-Jinx chairman, Margie Marz, all deserve credit. Most of all, the Girls' P.E. teachers, who were also eggheads in one of the dances, deserve credit having produced one of the best Hi-Jinx productions in the history of MHS.

"Maids and Butlers" danced to the complete delight of the audience.

Thrills and excitement were brought about this year by the excellent music and marching of the band, along with the spirited yells and routines of the pepsters. The combination of the two helped our teams drive on to victory.

A large turnout enjoyed the exciting Donkey Basketball Game, sponsored by the Senior Class.

Our cheering section gave great support to this year's winning football team.

AROUND CAMPUS

Students rise in excitement over a new exotic dish served in the cafeteria.

THE LAST BELL HAS RUNG, CLOSING THE DOOR ON OUR HIGH SCHOOL YEARS. NEVER AGAIN WILL WE EAT IN THE CAFETERIA WITH FRIENDS, WALK THROUGH CROWDED HALLS, CHEER THE TEAM TO VICTORY, DREAM LAZILY IN CLASS, OR LISTEN TO A TEACHER AS HE LECTURES. NOW WE MUST GO OUR SEPARATE WAYS — COLLEGE, WORK, MARRIAGE. THE KEYS WE HAVE COLLECTED IN THE PAST THREE YEARS MUST BE USED TO TURN THE TUMBLERS OF THE LOCKS TO THE DOORS OF THE FUTURE. IF THEY HAVE BEEN COLLECTED WISELY, THE DOORS WILL OPEN WITH EFFORT. IF NOT, THE TASK WILL BE EXTREMELY DIFFICULT.

1963 PACIFIC LEAGUE CO-CHAMPS

JAMES S. PIKE
Director of Athletics

SEASON SUMMARY

It was a season of dedication for the Varsity football players, matched with training, co-operation and loyalty.

Although Montebello tied with Arcadia for league honors with a 6-1 record, the Oilers dominated the Pacific League.

A major factor in the success of this year's ball club was confidence. The squad was fortunate in having sustained very few injuries. They also had one of the finest coaching staffs in Southern California.

With a very promising beginning, the Oilers defeated the CIF powerhouse team, El Rancho 18-14 in pre-league competition.

Arcadia overthrew the Oilers by a score of 14-6. After taking the defeat the Montebello Oilers came back and won their next five games, putting the Oilers in a hotly contended CIF playoff against Anaheim. In the first round of CIF competition the Oilers faced the Colonists and ended in a 7-7 deadlock but the Oilers were eliminated because of first down shortage.

Montebello had many individual stars during their winning season. All-League tackle "Big" Ron Marquardt was an outstanding lineman of the football season. "Big" Ron was also voted Most Valuable Player by his teammates for the '63 season. All-League players Dick Donegan (guard) and John Movesesian (end) were selected co-captains of the season. All-League quarterback Scott Ackerman added much to the winning season of MSHS with his excellent play-calling.

Voted as Most Valuable Player of the 1963 season was senior tackle, "Big" Ron Marquardt. "Big" Ron is 6'3" and tips the scale at 204. Selected as the outstanding player on this year's winning football team, "Big" Ron was also placed on the All-Pacific League first team. Marquardt has been on the Varsity football squad for all of his three years at MSHS.

As Vice President of the Lettermans Club, "Big" Ron is very well liked on campus. He is noted for his outstanding personality.

Besides playing on the Varsity Football team, Ron has been very successful in track. As a three year letterman of Varsity track, "Big" Ron has broken many shotput records at MSHS.

Ron Marquardt is one of the greatest athletes to attend Montebello. His fantastic ability in athletics will live long as one of the finest tributes in the high standards of MSHS.
